

Illinois Swimming Official's Association

## Romsted-Drumm Award Nomination

Each year, the Illinois Swimming Association (ISA) presents the Romsted-Drumm Award to an IHSA Swimming official who has exemplified excellence in the officiating vocation and who has made a significant contribution and commitment to IHSA Swimming & Diving. The recipient is chosen by the ISOA officers after reviewing nominations received from ISOA members. This is currently the highest honor available to an ISOA member.

Please use this form to make your nomination and provide a supporting rationale. For your reference, a history of past recipients is on the following page.
