

Consent to Video Tape Officiating Performance

As an official with the Illinois High School Association (“IHSA”) and a member of the Illinois Swimming Official’s Association (“ISOA”), my signature below indicates my desire to have my performance at today’s swimming and diving meet observed by an observer in the ISOA’s observer’s program, and to have that performance video taped by the observer. It is my understanding that the video tape will be retained by the ISOA for use in future clinics and training programs.
